Villas Troja - residence offers luxury living in a unique location for sophisticated clients and residents. It is located outside the flood area, in a heritage protected area and therefore holds a stylish character, including the quality of design. The building has underground parking (two spaces per apartment), cellar, elevator, central boiler room and pool. City part "Troja" is one of the most popular residential neighborhoods in Prague. The unique charm of Troja is its calmness, a large proportion of green and because there are located recreational and cultural areals: Prague Zoo, Prague Botanical Garden and Troja Castle. For active sports are available high-quality cycling roads, in-line and cross-country trails along the river, Canoeing Area, etc. In the nearby village Nebusice is located very popular International School: The International School of Prague - www.isp.cz The apartment itself is a maisonette with entrance from the common hall of the neibhoor semi-detached house. The apartment has a garden. It features a fireplace, air conditioning and closet. Sleeping area with a bathroom are situated upstairs. Because the object has only two storeys and the apartment occupies both, it is essentially a family house. AVAILABLE IMMEDIATELY
